

Dear Father in Heaven, thank you for sending Jesus to die on the cross in my place. He died for the sins I committed. Lord Jesus, please forgive me for the sins I have committed. Thank you, and I forgive all those who have offended me. Come into my heart and save my life. I declare you are my Saviour and You are my Lord. I will live for you with all my heart until I see you face to face. Thank you for saving me. Because I've made Jesus my Lord and Saviour, I'm bound for Heaven and God is my Father. Thank you for saving me, forgiving me, and accepting me, just as I am.

*Amen*
